DeepCoin

Closing existing account

***New customers without existing Deepcoin accounts please start from page 7**

Closing existing account

1. After accessing the app, press the icon in the top left corner to open the menu.
2. Then go to 'Security' in the 'My Page' section.

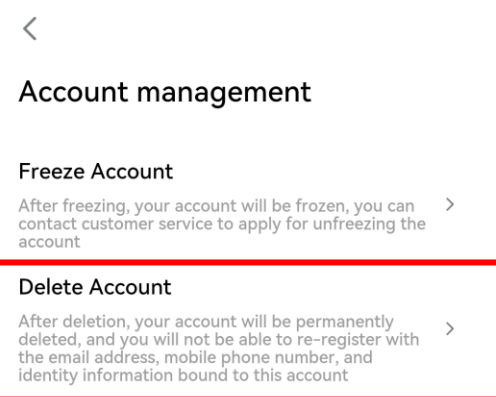

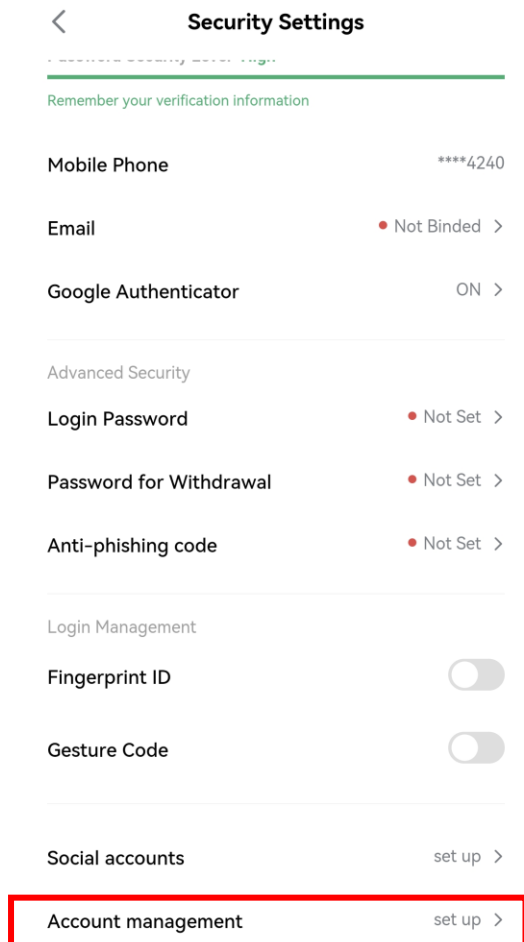

Account Termination Notice

1. After account deletion, you cannot register again using the same email address.
2. Please transfer your assets from the wallet to another exchange before deleting your account.

Account termination is not possible via PC. Please proceed with the termination through the app.

Closing existing account

In the
Account Management,
go to Delete Account.

Closing existing account

Delete Account

After deletion, your account will be permanently deleted and cannot be retrieved, please confirm your account:

✓ No positions, pending orders, conditional orders

✗ Account balance cleared
✓ I still want to delete my account and I understand that I will not be able to get my account balance back after I delete my account

If there are assets remaining in your wallet, they will be displayed. Please transfer your assets to another exchange before proceeding with the account deletion.

Delete confirmation

Click "Delete Confirmation" to permanently delete your account.

Sign-up through Referral Link

Enter the verification code sent to your email or via text message, and then click "Register" to confirm.

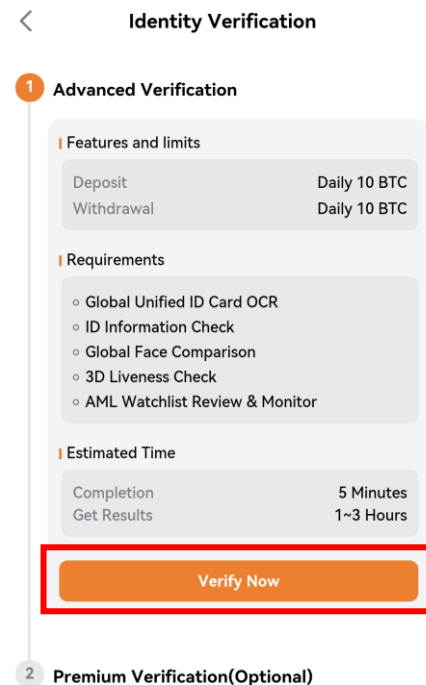

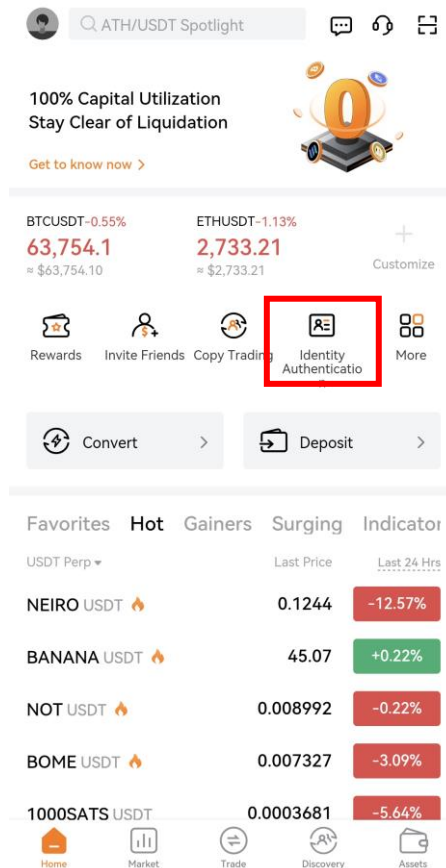

Sign-up through Referral Link

Your registration is complete. Click "Verify Now" to start the KYC verification.

Since KYC requires taking a photo, it is recommended to complete the verification through the app.

KYC (Know Your Customer) Verification

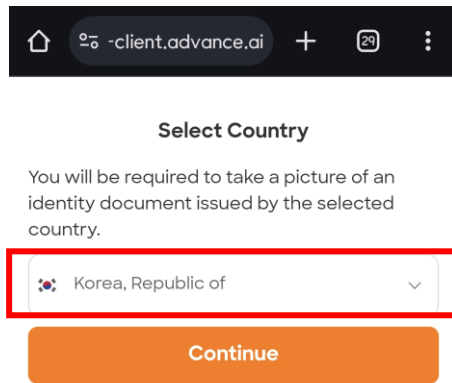

After logging into the app,
click on Identity Verification
to start the KYC verification.

Click Verify Now

KYC (Know Your Customer) Verification

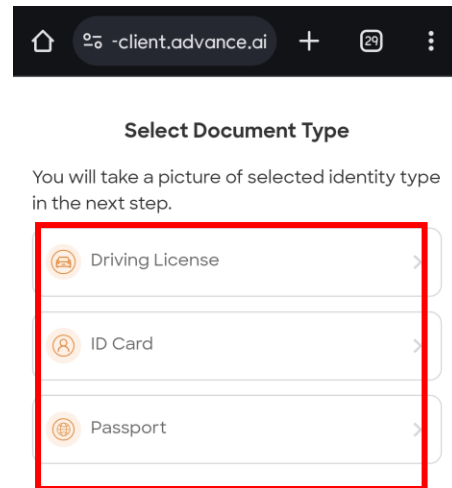

The screenshot shows the 'Select Country' step of the KYC verification process. At the top, there is a dark navigation bar with a home icon, a search bar containing '-client.advance.ai', and icons for a plus sign, a document, and a list. Below the navigation bar, the title 'Select Country' is centered. A message states: 'You will be required to take a picture of an identity document issued by the selected country.' Below this message is a dropdown menu with a flag icon and the text 'Korea, Republic of'. A red rectangular box highlights the dropdown menu. At the bottom of the form is an orange 'Continue' button.

Select Country

You will be required to take a picture of an identity document issued by the selected country.

Korea, Republic of

Continue

The screenshot shows the 'Select Document Type' step of the KYC verification process. At the top, there is a dark navigation bar with a home icon, a search bar containing '-client.advance.ai', and icons for a plus sign, a document, and a list. Below the navigation bar, the title 'Select Document Type' is centered. A message states: 'You will take a picture of selected identity type in the next step.' Below this message is a list of three document types: 'Driving License', 'ID Card', and 'Passport'. Each item has a circular icon with a document symbol and a right-pointing arrow. A red rectangular box highlights the entire list of document types.

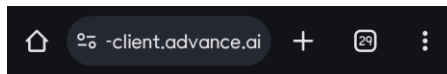

Select Document Type

You will take a picture of selected identity type in the next step.

- Driving License
- ID Card
- Passport

Select your country
then select document type
